

Make profits instantly with **Polaroid Business in a Box.**

One in five Australians will need an ID photo this year, that's a chance for your business to share in the market and profits.

The Business in a Box kit includes everything you need to get started:

- New M403M Passport Camera and User Guide with improved lenses
(to assist operators to achieve correct head size for new Image regulations)
- Background lighting including Flash & Slave Unit to eliminate background shadows
- Two Packs of 125i Film (20 shots)
- Retractable backdrop
- INCA rechargeable batteries & charger
- Hand photo cutter
- Point of Sale material (flags and posters)
- Dept of Foreign Affairs Passport Regulations Information

Instant passport photo's business partner

- Polaroid Business in a box approved by Australia Post
- Polaroid Business in a box is DFAT Compliant
- Hagemeyer is Australia Post's exclusive and endorsed supplier for Passport Camera Systems and support
- Training on Passport Regulations/Biometrics and taking of Passport Photos
- Free Technical Support Hotline
- Passport Point of Sale supply and DFAT document supply

Or for further information contact Polaroid on 1300 728 606
